 - (i) the nature of the supplies, goods or services to which the procurement relates; and
 - (ii) a specified time on a specified day after which a tender may no longer be submitted for the procurement.
- (b) To avoid doubt, subparagraph (a)(ii) does not prevent the invitation to tender from containing any terms in respect of a postponement, for reasons such as inclement weather, of the time after which a tender may no longer be submitted for the procurement.
- (c) In this paragraph, a reference to an invitation to tender issued for the procurement includes, if applicable, any revised invitation to tender issued for the procurement.

9. Display of copy of invitation to tender

- (a) If an invitation to tender is issued for the procurement, the Manager must display a copy of the invitation in a prominent place in the Development as soon as reasonably practicable after the invitation is issued, and cause it to remain so displayed until the deadline for the submission of a tender for the procurement.

(b) If a revised invitation to tender is issued for the procurement:

 - (ii) the procurement is the procurement of any supplies, goods or services the value of which:
 - (1) exceeds, or is likely to exceed, the monetary amount specified in paragraph 5(1)(b)(i) of Schedule 6A of the Ordinance; but

- and an invitation to tender has not been specifically issued to 3 or more potential suppliers for the procurement.
